IN
APPRECIATION
TO
FREDRICK H. CASSENS
FOR THE WALDWICK GRADUATION BALL

A highlight in the senior year of every Waldwick student is the Graduation Ball with its unique annual theme and elaborately decorated staging.

Many hundreds of senior parents have contributed to past successes, but a special expression of appreciation is due Fred Cassens.

Fred has been the primary guiding force and artistic talent in the production of each Graduation Ball since its inception in 1965.

Over fifteen years, so far, his creative genius and countless hours of labor have produced an event that has been a delight and a cherished memory for some 3,700 graduating Waldwick seniors.

For his indomitable spirit and humor, his obvious affection for Waldwick and its young men and women, as well as his invaluable artistic contribution to the Graduation Ball a public and lasting "Thank You" is sincerely extended to this very special man.
